

# 17th International Symposium on Neural Networks

October 1-5, 2020  
Cairo, Egypt

**General Chairs**  
Samir Abou El-Seoud and Omar H. Karam,  
The British University in Egypt, Cairo, Egypt

**Advisory Chairs**  
Ahmad Hamad, The British University in  
Egypt, Cairo, Egypt  
Derong Liu, University of Illinois - Chicago,  
Chicago, USA

**Steering Chairs**  
Haibo He, University of Rhode Island,  
Kingston, USA  
Jun Wang, City University of Hong Kong,  
Hong Kong

**Organizing Chairs**  
Yehia Bahei-El-Din, The British University in  
Egypt, Cairo, Egypt  
Jun Wang, City University of Hong Kong,  
Hong Kong

**Program Chairs**  
Min Han, Dalian University of Technology,  
Dalian, China  
Sitian Qin, Harbin Institute of Technology,  
Weihai, China  
Nian Zhang, University of District of  
Columbia, Washington, DC, USA

**Special Sessions Chairs**  
Tasos Dagiuklasis, London South Bank  
University, London, UK  
Andreas Pester, Carinthia University of  
Applied Sciences, Carinthia, Austria  
Zhihui Zhan, South China University of  
Technology, Guangzhou, China  
Bo Zhao, Beijing Normal University, Beijing,  
China

**Publicity Chairs**  
Tingwen Huang, Texas A&M University -  
Qatar, Doha, Qatar  
Wing W.Y. Ng, South China University of  
Technology, Guangzhou, China  
Zhigang Zeng, Huazhong University of  
Science and Technology, Wuhan, China

**Publications Chairs**  
Hangjun Che, Southwest University,  
Chongqing, China  
Xinyi Le, Shanghai Jiao Tong University,  
Shanghai, China  
Man-Fai Leung, Open University of Hong  
Kong, Hong Kong

**Registration Chairs**  
Shenshen Gu, Shanghai University, Shanghai,  
China  
Qingshan Liu, Southeast University, Nanjing,  
China  
Ka Chun Wong, City University of Hong  
Kong, Hong Kong

**Local Arrangements Chair**  
Samy Ghoniemy, The British University in  
Egypt, Egypt

**Webmaster**  
Jiasen Wang, City University of Hong Kong,  
Hong Kong

## Call for Papers

<https://conference.cs.cityu.edu.hk/isnn/>

**Sponsors/organizers:** The British University in Egypt and City University of Hong Kong  
**Technical co-sponsors:** Asia Pacific Neural Network Society, International Neural Network Society  
**Proceedings publisher:** Springer Lecture Notes in Computer Science

Following the successes of previous events, the 17th International Symposium on Neural Networks (ISNN 2020) will be held in Cairo, Egypt on October 1-5, 2020. Located by the Nile River, Cairo is the capital and the largest city in Africa with a population of over ten millions. ISNN2020 aims to provide a high-level international forum for scientists, engineers, and educators to present the state of the art of neural network research and applications in related fields. The symposium will feature plenary speeches given by world renowned scholars, regular sessions with broad coverage, and special sessions focusing on popular topics.

### Call for Papers and Special Sessions

Prospective authors are invited to contribute high-quality papers to ISNN 2020. In addition, proposals for special sessions within the technical scopes of the symposium are solicited. Special sessions, to be organized by internationally recognized experts, aim to bring together researchers in special focused topics. Papers submitted for special sessions are to be peer-reviewed with the same criteria used for the contributed papers. Researchers interested in organizing special sessions are invited to submit formal proposals to ISNN 2020. A special session proposal should include the session title, a brief description of the scope and motivation, names, contact information and brief biographical information of the organizers.

### Topic Areas

Topics areas include, but not limited to, computational neuroscience, connectionist theory and cognitive science, mathematical modeling of neural systems, neurodynamic analysis, neurodynamic optimization, adaptive dynamic programming, embedded neural systems, probabilistic and information-theoretic methods, principal and independent component analysis, hybrid intelligent systems, supervised learning, unsupervised learning, reinforcement learning, deep learning, brain imaging, neural information processing, neuroinformatics, bioinformatics, support vector machines, kernel methods, autonomous mental development, data mining, pattern recognition, time series analysis, image and signal processing, robotics, control systems, telecommunications, transportation systems, intrusion detection and fault diagnosis, hardware implementation, financial engineering, business intelligence, real-world applications.

### Paper Submission

Authors are invited to submit full-length papers (10 pages nominal and 12 pages maximum) by the submission deadline through the online submission system. Potential organizers are also invited to enlist five or more papers with cohesive topics to form special sessions. The submission of a paper implies that the paper is original and has not been submitted under review or is not copyright-protected elsewhere and will be presented by an author if accepted. All submitted papers will be refereed by experts in the field based on the criteria of originality, significance, quality, and clarity. The authors of accepted papers will have an opportunity to revise their papers and take consideration of the referees' comments and suggestions. The proceedings of ISNN 2020 will be published in the Springer LNCS series and selected good papers will be included in special issues of SCI journals.

Special session proposals deadline.....April 1, 2020  
Paper submission deadline.....May 1, 2020  
Notification of acceptance.....June 1, 2020  
Camera-ready copy and author registration.....July 1, 2020
